

HELP US GROW!

Jack Hulland School Council is collaborating with Yukon Gardens on a flower basket fundraiser for a third year! This was our most successful fundraiser last year and we hope it will be again.

**12” hanging baskets
with a mix of three grower’s choice annuals
\$60 each**

Students will receive an order form with instructions.

All orders are due Friday April 4.

An exact pick up date will be announced at a later date.
The anticipated pick up date is late May or early June.

The student with the most baskets sold will receive a prize from the Council.
