**5 Treasurer’s Report.**

No information relayed; Jesse absent.

**6 Principal’s Report**

- See Principal’s Report document dated Nov 28<sup>th</sup> included in the meeting package.
- Jeff solicited input from SC members on goal 3 of the school growth plan.
- Foxes noted stealing kids’ backpacks on the primary side.
- Vandalism is becoming an issue in the intermediate boys’ washroom. Very difficult to police the room. Cameras in the hall would be a difficult piece to receive approval for.

**7 Committee Reports**

**7.1 Transportation Committee**

First meeting since May was held on Nov 27<sup>th</sup>. It was a full meeting with the DM and ADM both present. The Mgr from standard is no longer with them. Standard's parent company had a representative at the meeting and talked about wanting to institute changes. No specific commitments were given by Standard or by YG. They did note that the job of 'bus driver' entails delivering children on schedule, but that many bus drivers are having to provide oversight for the children and that they shouldn't have to – especially for the children with significant behavioural challenges.

## 7 Old Business & Correspondence

### 1. Review & update action item status

- Remove item2 and keep items 1,3, and 4

## 8 New Business

### 1 Fundraising

#### a. Christmas Draw

- Last year, \$200 was spent (estimated from memory). Maybe a Christmas hamper would be better to replace the hampers cut from YFNED.

- **Motion 4:** **Alyssa McCall / Scott Holiday**  
Motion to purchase three gift cards for \$150 each for families at JHES.

Passed by: Consensus

- Art Cards by kids for 2026. School would get proceeds from kids art that go on items and are sold online. Could coordinate with Tamara (art teacher). **Will defer until Easter season.**
- SC to revisit the SES Rubric in January and tweak it to fit JHES.
  - Does it determine yes/no or does it address amounts of money in some way?
  - JHSC needs to set our priorities for funding.
  - How do we want to receive requests?
- Grants update
  - We got \$5,000 for the garden and submitted a \$15,000 request for music equipment.
  - Submitted a \$2,000 request for PE equipment.
  - There is a Canada Post grant for \$5,000; do we have a need that can fit this grant?

2 The AYSCBC Conference is coming up on Saturday. The council reps will present allergy plan updates and there will be discussion on the last election. The JHES SC rep should bring our ongoing facilities and transportation issues to the conference. It would also be nice to address why we don't have enough funding to maintain basic upkeep in schools and the lack of timely review and action on HR issues.

### 3 Minute discussion

- Other School Council minutes are much more summarised. There is some value in shortening the amount of information relayed and we should move forward recording minutes with this in mind.

- 4 No feedback was sent back to the school in response to the proposed allergy plan sent out first to relevant parents, then to the whole school community. Specific, individual restrictions will be enacted by classroom in the plan and depend on allergies present in children in each classroom.

**Move In-camera**
