

- Drop-off and pick-up parking
- Pedestrian walkways
- Bus drop-off and pick-up area

Jack Hulland Elementary School Drop-off, pick-up and pedestrian pathways

Drop-off and pick-up your child at the designated areas to ensure all children are safe in and around the school. To keep the traffic flowing, please ensure you are expedient when dropping or picking up your child.

Drop-off and pick-up along 14th Avenue:

The old school bus layaway along 14th Avenue will be a designated student drop-off and pick-up zone.

Drop-off and pick-up along Fir Street:

The area along Fir Street between the crosswalk and the bus stop closest to 14th Avenue will be designated as a student drop-off and pick-up zone.

Both drop-off and pick-up zones will have signage indicating the areas and times for these zones:

(Faded text, likely describing signage details)

By working together, we can greatly improve the safety of our students.
